

Steps to Setup Alerts

- 1) Log into online banking
- 2) Select Manage Alerts
- 3) Select “+” to setup alert and notification type

The screenshot displays the 'MY ALERTS' interface in the Providence Bank mobile app. The top navigation bar includes 'Cash Management' and 'Manage Profile'. A left sidebar lists various services, with 'Manage Alerts' highlighted. The main content area shows a list of 10 enabled alerts, categorized into Custom Alerts, Business Banking Alerts, Bill Pay Alerts, and Security Alerts. Each alert entry includes the alert name, a notification type (e.g., Text, Email), and a green 'ON' toggle with an edit icon.
